Thank you to all our Bot members , teachers , parents and students who came and enjoyed the Bike Track opening last Friday. Those of you who were able to bring your bikes had so much fun. We are very lucky being one of the few schools in West Auckland who have a bike track that you can use everyday. It was wonderful seeing so many of you there to enjoy the day.

Thank you Kapa Haka for performing so well and representing the school with mana at the Community of Schools Cultural Day today. You have all worked so hard and stepped into roles and responsibilities . I am so proud of you.

We have our Maori Hui next week Tuesday August 6 in the staffroom. I look forward to seeing as many of you there as possible.

## 100 Day Celebration

By Ellerie Davey

On Thursday when I went to school, I was late. When I went inside of room 5 my class I was shocked, because there were balloons on our chairs. Everyone said my name so loud.

Mrs S said, "Go to your tables and I'll give you a buddy to work with for plusses to 100. Mrs S gave us some skittles. When we finished our activity Mrs S said, "Come to the floor and let's reflect". And we did. Mrs S said, "Let's wash our hands for lunch." I ate some of my lunch.

After Lunch we made our 100-Day glasses and then we watched the rest of Brother Bear in Room 7. Then the bell went. It was a fun and surprising day.

On Thursday I went to school. When I went inside I saw balloons for everybody in my class. Some had different balloons and some had different colours. The balloons were in our chairs.

After morning tea, we talked about 100 places we'd like to visit. I wanted to visit Korea, China, Australia, Japan and Starbucks.

After lunch we made our 100-day glasses out of paper. First we needed to colour it in, then cut, glue and finally wear it. We took all of our balloons home. I felt really happy.

I was decorating my bike at home for our Edmonton Bike Track Opening. I put wheelly brights and beads on my wheels. I put balloons on my bike too. Then I went to show it off at school. I raced it. I felt happy when I showed my bike to others at school.

## The Bike Opening

By Zoe Snow

On Friday our school had our Bike Track Opening. The whole school was outside Rooms 10 and 11. There was a red carpet on the ground. It had bricks on it to hold it down.

We had a competition for the best decorated scooters and bikes. In our class Ellora and Harper came 1<sup>st</sup> and 2<sup>nd</sup> for having the best decorated scooters. Harper got a bag of lollies and Ellora got a T-shirt and a drink bottle. Mrs S said, "I did not know there were prizes for scooters." It was a fun day.

## Our 100 Day Celebration

On Thursday when I got to class, it was decorated with balloons and everyone said, "Happy 100-Days!"

When the start of day bell rang, Mrs S wished us all, "Happy 100-Days!" In the first block we talked about where in the world we wanted to go. I wanted to go to India.

After morning tea, Mrs S gave us skittles and I took a yellow one. We got into buddies and took a scrap paper. We wrote ways we could write 100. We also did 100 compliments and ways we could show kindness. I thought I could give someone a toy as a way of showing kindness.

The last block we made glasses in the shape of 100. We also got to take our balloons home. I felt so good and happy. At the end of the day I said to the class to give Mrs S a big clap. And they did.

## Our 100 Day Celebration

On Thursday it was Room 5, 6 and 7's 100-Day celebration. We have been counting all the days we've been to school since the start of the year. We also learned about place value.

When I was outside I looked through the classroom window, I was surprised!!! I saw lots of balloons on all the chairs. I said to myself, "I wasn't expecting this from Mrs S."

Then I went through and said, "Good Morning Mrs S!" and the day went on. I thought this was a day that everything was different, but I could be wrong. Well, I can't remember everything.

When Room 5 was at their tables we got skittles and 100's and 1000's cookies. It was good day. At the end of the day we all took balloons home. The next day would be back to normal.
