12th October—16th Dec

Kia ora, Talofa lava, afio mai, 'nāmōstei , pai ata, Kuja hapa, greetings, สวัสดี, 欢迎 and malo e lelei,

Congratulations to our soft ball and T Ball teams who participated in the Cluster sports day - our Softball team came 3rd overall and the T Ball team finished the day unbeaten. You trained hard and were well prepared. Thank you Mr Scott for organising and training up the teams. Thank you to Jared & Robyn Townsend for coaching the Soft ball team today and also to the parents who provided transport, helped out with the teams and supported on the day.

As you would have seen ,we have been upgrading, painting and starting new murals to brighten up our lovely school. I would like to take this opportunity to thank all staff and volunteers who are making this happen. We also have parents who come in over the weekend and give up their own time to fix window frames and prepare surfaces ready for painting. Thank you Tina and Ed for all your hard work you have donated over the last few weekends to prepare windows ready for painting. Together we will have a beautiful colourful school inside and out.

I would like to reassure parents that we are keeping up to date with all the latest developments with MOE guidelines for the outbreak of the Coronavirus. The Japanese tour group we had booked for March and April has now been cancelled, as they are unable to travel to NZ. Any new developments for the school will be communicated immediately through Facebook, Seesaw and email.

Please stay safe and contact me if you have any concerns in regard to contact you or family members may have had with suspected cases of the virus. Please let the office know if you are needing to stay home and monitor any family member. We are continuing to have extra hand sanitiser in classes and tissues. The cleaners are aware and are making an extra effort to wipe down all surfaces. Keep safe and well over the next few months as we head into Winter.

Margaret Samson (Principal)

Our School Car Park

Some days the parking in our car park is great. Other days it is quite bad.

We really can't have all the double parking and congestion.

We still have some people that park in front of cars in car parks, blocking them in and leaving their vehicle.

If there are no car parks please use an area to "park and walk" into school.

We don't want to have to close our car park.

Another option is to come five or ten minutes later.

Thank you from Edmonton TravelWise team

Picnic Day

By Heer

Yesterday at 9:30 am the middle school went to Te Pai Park. Everyone had to walk and some people had scooters. So they could ride their scooters, but sometimes they had to carry it. It was a long walk and my legs got so tired. When we reached the park, Mrs Mays gave us some instructions. Then we had morning tea. After morning tea, I played "Duck, Duck, Goose" with Mrs S and then I played "Cat and Mouse" with Miss Defire. We played "Chinese Wall" with Mrs Siu and last I played on the playground. First I played on the swings, then I climb on the spider web and then played on the playground. Eviana showed me how to climb the spider web. Afterwards we had lunch. Everyone walked back to school. I had to pull Eviana up, because she was so tired. I felt happy.

Picnic Day

By Ngareta

At 9:30am one Thursday, the whole middle school went to Te Pai Park. It took a long time to get there. When we got there, some of us laid on the ground. We then had morning tea. After morning tea, room five played "Duck, Duck, Goose", room six played "Cat and Mouse", room seven played on the playground and room eight played "Chinese Wall". We did a rotation. After that we had lunch and I played Cheat with Tilly, Heer, Victoria and a lot more people. Afterwards we went back to school. When we got to school, everyone had a drink.

STORIES FROM ROOM 5

The Bloodbottler

By Seini

The Bloodbottler is hairy. It's skin is brownish-red. He is fat and ugly and his mouth goes all the way up to his eyes. The Bloodbottler's hair is black and tangled. His teeth are sharp and yellow. His lips are purple and they look like the size of two frankfurters. The Bloodbottler's eyes are black and looks like holes in his head. His nose is small and tiny. His legs are skinny and his fingers are like tree branches. He is super big, like ten thousand feet

The Bloodbottler

By Shivanjali

The Bloodbottler is a giant and he came to visit the BFG. This giant has yellow teeth and brown-red skin. Also he has fingers that look like tree trunks. He is fat and he has a piece of cloth to cover his bottom. The Bloodbottler is a bad friend to the BFG. The BFG is little and the giant is bigger than the BFG. The BFG's name is Runt and the giant ate snozzcumpers.

The Bloodbottler

By Keiran

The Bloodbottler is a ferocious giant that is fat and wears a cloth around his bottom. He has black and messy hair and he eats humans. He's way bigger than the BFG and he's mean and really scary.
