Kia ora, Talofa lava, afio mai, 'nāmāstei , pai ata, Kuja hapa, greetings,

สวัสดี, 欢迎 and malo e lelei,

Welcome back to our new norm and a very warm welcome to our new families who have started at Edmonton. I am very impressed with the way our students have settled on their return to school. They are showing respect for each other, and calmly going about their work and play keeping social distancing.

It is very encouraging seeing them so excited about work and seeing their friends. Thank you all for supporting your children through these changing times.

We will continue to keep the new routines for hygiene and social distancing going as they are all good practices and help keep us safe and well at all times.

We are really pleased to advise that lunch orders will start again next week.

SUSHI - Wednesday

BAKERY- Thursday and Friday

However, we are changing the ordering system to help with social distancing and to make it easier for all:

1. The order form will be sent home with your child the night before.
2. Please fill in the order form and return with the cash in an envelope for the following day's order.
3. The form goes with your child to their classroom where it will be collected from. **No orders will be taken through the office during this lockdown level.**
4. If you prefer to pay online you may, just write on order form that this has been paid online & date it has been paid.
5. If you normally order through Before School Care then please continue with this system.
