Thank you students who ran a wonderful games day for all of us last Friday. We can certainly continue some of the activities each week.

Congratulations to the rippa rugby teams who participated on Tuesday with our cluster sports day. You were respectful and showed great manners as well as played well.

Good luck to our Chess team who are playing again tomorrow at Henderson North.

CHESS TOUR-

NAMENT

Last week on Wednesday, our school Chess Club participated in our cluster Chess Tournament which was held in our Edmonton School hall . We were playing against Matipo and Marist Primary.

We started with a practice match with each other, then the Chess Power coordinator person taught us some strategies to defeat our opponent. He knew so much about Chess, and his strategies mostly worked!

When some of us tried the new tactics we stalemated our opponents and got half a point. We also got badges when we captured the king, with a specific piece, or won all the rounds.

There were 7 rounds none of the Edmonton students won them all. When the round finishes we got to drink milo, milk, or water. We also never got an official lunch or morning tea break.
