Thank you all for your support and care over the past few days in regard to helping us stay safe and well at Edmonton.

The School hall has now had its extra deep clean and is ready for use when we are allowed to, in the appropriate Alert level .

I am very proud of you all and the way you have kept calm and carried on with what you all need to do to stay safe and well.

Online learning has recommenced with Seesaw and google classroom. I have contacted the ministry and hard packs have been ordered for all of our students. I will let you know when they arrive at the school and you are welcome to come to the office and pick them up.

Hope you enjoy the second of our colouring competition activity sheets. This idea came from our student wellbeing group. Awesome job. Thank you.

Once again , thank you all for your kindness and support of all of our community.
