It was a big relief to hear we are moving back to Alert Level 2 at the beginning of next week. We look forward to welcoming all our students and staff back onsite at that time!

Thank you once more to our parents and caregivers for the support and resilience you have shown through Alert Level 3.

Strong vigilance, good hygiene practices, coupled with the hard work our health authorities are doing to identify and support any confirmed cases and their close contacts remain important for all of us.

It was great to see so many of you able to pick up the hard packs we were given by the Ministry of Education. Please keep these safe at home and packed away in case we go back to Alert level 3.

Just a reminder that while everyone is onsite at Alert Level 2 next week, we must adhere to key health measures including:

- Good hand hygiene and cough and sneeze etiquette
- Please stay at home if sick
- Keeping the appropriate physical distance from others (in class this means no touching each other and keeping out of breathing distance)
- Cleaning and disinfecting our high touch surfaces daily
- We have QR code posters at our entrances and encouraging all of our community to download the NZ COVID Tracer App and use it if they come onsite
- We will have a visitor register for anyone who cannot use the app and for other visitors who come onsite for a period of time.
- Please send a drink bottle with water with your child/ children/s lunch.
- No bikes at school at this level.
- Junior parents park at MacKenzie Street entrance please, and wait at the courts at the beginning and end of each day.
- Seniors and middle please wait at the courts in front of your rooms at the beginning and end of each day.

We know all these things will help to keep our community as safe as possible. Because of these measures, your child does not need to wear a face covering while at school.

For those of you who might be finding things more difficult than usual, we encourage you to go to <a href="covid19.govt.nz">covid19.govt.nz</a> for more information, or get in touch and we will help you to find the information and support you need.
