Thank you everyone for adjusting to all the rules and regulations with starting back at school. We all really appreciate the effort you are all going to keep everyone safe.

Last week I applied for an urgent response grant from the Ministry of Education for Lego for all of our classrooms. This will help all of our students cope with the loss of the use of our playground, hall, organised sports teams.

If you have any Lego at home which you are not using, any donation would be gratefully received to add on and build up our classroom kits. any amount will go a long way. Please let us know, or just leave it at our office.

Thank you all for your continued support of our great school.

Principal For A Day

These stories were written by some of the students who were present at school during Level 3 this term.

If I was the principal for one day I would put a barrier around the bike track and create a paintball zone. Then I would make it rain 10 million dollars everyday.

Hunter

If I was a boss for one day I will take the teachers on an adventure to the forest.

Junior

If I was the principal for one day I will play by myself and the kids would have to watch me. I would have candy.

George

If I was the principal for one day I would let everyone have animals at school.

Atolofi

If I was the principal for one day I would take every one to Rainbows End.

Sidney

If I was a principal for one day I will let the kids do whatever they want but not something that is dangerous, I will have rules. My rules are play nice and no fighting. When people are sad or angry just stay with them but if they say no then its fine just go and play. No bullying people! That is the rule! So that's why I have rules here.

Naomi

If I was a principal for one day I will let the kids bring devices and you can only play fortnite, minecraft, roblox, pokemon or beyblades. The teachers do homework and we can play underwater laser tag. The teachers are going to dig up the fields using shovels and make a pool. No girls allowed!

Kieran

If I was the principal for one day I would let all the kids do whatever they want. Because teachers don't like to work with kids so all teachers can go on holiday.

Feenix

If I was the principal for one day I could go and explore school. I could play with my friends and I could do some games. Well I don't do games too much. I could have my favourite meal. I could go to the zoo with my family and go to McDonalds. That's why I love being the boss.

Ruth

If I was a principal for one day I will let the kids bring devices. The teachers getting an unlimited supply of school work and home work that they have to do. The kids can play all day. You need to play pokemon, bablades or fortnite. No fighting, only online fighting. If you have wifi you can also play MINECRAFT and ROBLOX. No girls allowed at the school. No schoolwork or homework for the kids. You can leave school when you want. The teachers giving you money. The court will be a trampoline, the field will be a pool with laser tag underwater.

Ishan

If I was the principal for one day I would make it rain lolly pops and I would make everything be jelly. I would make everything ice cream and I would make there be a water fountain that would look like a mermaid and money would come out of the mouth.
