Salaam

Welcome back everyone. It is so good to see you all. As a welcome back treat - Thank you to all of our parents who were able to have a free coffee today.

I would like to welcome Katy Scott who will be teaching in Room 2. We are really pleased to have you here Katy.

Some really exciting news for the junior school. We finally have our funding and application for our new junior playground approved. We will dismantle the old playground this term so that the new playground can be constructed in the July holidays. You have waited so long for this . I am really proud of you.

It will be so good to have our school activities back up and running. We have new groups starting up this term for gardening on Wednesdays , and our flying dance group in the hall on Thursdays. Sports teams will be able to return for our cluster sports as well. We are still looking for a Kapa Haka tutor for our school. Please contact me if you know of anyone who could lead our Kapa Haka group.

Matariki Celebration

Our school is participating in the Matariki collaborative Art work which will be displayed at the Te Atatu Peninsula Community Centre. We will send out more information for you as soon as we receive it.

Thank you parents for helping with the parking at the front of the school . If some of you can use the Arohanui entry it helps with the number of cars at the main entrance.

I am looking forward to a wonderful Term 2 reconnecting with you all and bringing many of our activities back to school so that life is back to normal as much as possible.

Imagine you were walking through the woods in the fall and found the most unusual leaf you'd ever seen. Color in the leaf to show what it would look like.
