I am so proud of the students at Edmonton Primary School...

I want to celebrate many key values that are being demonstrated each day by our students. They are showing respect, kindness and consideration by opening doors for teachers, listening and following instructions.

There are a couple of boys I want to thank - Jahlen and Rawiri who personally helped me this week with looking after a junior boy on the field.

I also want to thank the senior leaders group who give up their lunchtime each day to help and support the junior school. They supervise and make sure the juniors are playing with friends, have buddies, and have enough equipment to play with. The Junior school teachers are very proud of the way you have always come each day to help out.

Also, congratulations to our Basketball teams that represented Edmonton School yesterday at the Trusts Stadium. You played well and showed sportsmanship. Well done

Margaret Samson (Principal)

INTERSCHOOL BASKETBALL FIELD DAY

Yesterday 18 awesome students represented Edmonton School at Inter School Basketball field day at The Trusts Stadium. Both teams got 5th for the day and Edmonton School was awarded Sportsmanship. We would like to acknowledge and thank Tony Dower for his coaching both of the teams on the day. Thanks also to Mrs Cunningham for training the teams in preparation for the day, Mr A for going with the teams to field day and to the staff and parents that transported the students.

The rippa rugby field day - The Boys Team

On the field day, all of us gathered around to be transported. We all got transported by teachers or parent helpers, and then when we all arrived at Te Atatu South Park, we did some drills. The boys and girls practiced separately, when it was time for the boys first game we did really well, it was us VS Rutherford 2 and we won our first match! It was 4-1. When we played our second match we also won! It was Freyberg 1 and the points were 4-1. In our last game, we VS Matipo 1 and unfortunately lost by 1-2, but it was a great day.

Our rippa rugby experience - the Girls Team

We are going to share our experience about Rippa rugby field day.

We have had lots of training together at morning tea and lunch to practice for the field day. Our teams for Edmonton have had lots of success on that day. We had plenty of different strategies and ideas to come to where we are now. We had to self-manage our training for Rippa Rugby so we were surprised we attained second place. Our time there was amazing. Big Thank you to Mr A and Mrs Cunningham. Thanks also to parents who helped transport and especially to Mr Dower for his help during the day.
