Kia ora, Talofa lava, afio mai, 'nāmōstei , pai ata, Kuja hapa, greetings,

สวัสดี, 欢迎 and malo e lelei, Salaam

Congratulations to our Cricket teams who had a great day playing in our Cluster sports day. You showed great sportsmanship, and fair play.

Thank you to Mr A and Jann for supporting the team.

It is great getting back to participating in all of our cluster opportunities.

Margaret Samson (Principal)

REMINDER

Children need sun protection and need to wear hats at school during terms 4 & 1.

Please make sure your child has a plain red or black hat for outside play at school.

It is expected that children without hats will play in the shaded areas.

Place-based Education taking the learning outside the classroom

Room 8 has been working on a community project over terms 3 and 4 about finding problems in Te Atatu when we go on our walks, then create ideas on how we can solve them. We've even been to the library in Te Atatu Peninsula and learnt about the history of Te Atatu (and got free popcorn after). Ms. Defire is going to make a survey for us to select which ideas we've created seem the most important. The ones that we will choose are the ones that we are going to address, and we'll work together and make designs on how we'll solve those problems. Ms. Defire also said that we might send those designs over to the council, so that's exciting. Written by Shanaya
