Thank you everyone for supporting our colourful mufti that we had last Friday. Wow, everyone looked so happy.

We are using the money for activities on the BIG DAY OUT in week 9, so every dollar raised will go back to the students. Thank you so much for your support.

I am so proud of the team of Edmonton students who competed in the cluster cross country. You are a dedicated group and trained every day for this event. Congratulations on your resilience and stamina

*Margaret Samson* (Principal)

## FLOATING AND SINKING IN ROOM 1

Room 1 have been exploring water. We have looked at floating and sinking. Using tin foil we made boats and then counted to see how many counters they could hold before they sank. The class record was 158 counters!
