Thank you everyone for braving the weather on Friday to attend the DISCo. The kids had a great time, and really needed it to just have fun.

We have a few more activities planned . There is a Community Picnic to be held at Te Atatu Intermediate from 4-6pm. All of the schools on the Peninsula plus our cluster schools are invited to participate. There will be a petting zoo, bouncy castles, and more . It is a free event to help support bringing our Community together. There will be stalls and food available to buy on the night.

We will have fun events running during school time this Friday - to help with keeping our spirits up and celebrating being at school.

Room 10 have been learning how to use adjectives to make writing more interesting... *How many adjectives can you spot?*

Fly me to the moon...

I open my eyes wide and gaze at the infinite blackness of space.  
I opened my eyes and I saw light shining at night-the stars.  
I opened my eyes wide and looked at the shiny bright stars.  
I woke up with my eyes wide open, gazing at the endless dark space.

One night I woke up and gazed horrified, a massive burning meteor racing towards earth.

I landed in space and started jumping up and down on the moon.  
It was pitch black and majestic.

I opened my eyes and I looked out the window and I saw the stars shining and sparkling in the sky.

I went to NASA headquarters and I saw a rocket blasting off to the moon to get a forgotten broom.
