Last week we were able to fix the boat playground that had been damaged over the holidays. It was so great to see everyone enjoying being back on this incredible playground that is so unique and special to the school.

Just a reminder to those of you who are going to be at school tomorrow, that we meet in the hall when the bell goes at 8.55 so that we can sort out classes and teachers / teacher aides who will be supervising the children for the day.

Thank you for your cooperation with this .

Did you know that your child's best learning time is the start of the school day?

That's when every minute counts the most.

School starts at 8:55am.

EVERY MINUTE COUNTS

The children in the Junior School have had a visit from Constable Sarah as part of the 'Stepping Out' programme. This is what we have been doing with Constable Sarah.

When we are walking on the footpath, we should always walk on the house side of the footpath and not too close to the kerb.
