It was great to see so many of you at the kahui Ako Community Picnic last week . It was a wonderful event with lots of fun activities for the kids. Thank you for battling the traffic there and back.

Our year 5 and 6 students are participating in our Ki o Rahi tournament this week at Rutherford College. I wish you all the best , play well and I know you will be great ambassadors for the school

If I were a doughnut what would I be and what adventures would I have?

By Room 8

I would be a round doughnut with no hole and inside the doughnut is custard. The top, bottom and sides have white powder sugar.

What adventures would you go on? I would sneak out of the shop and become a deliveryman.

By Srivishnu

My name is Jonathan and I'm a melted chocolate donut and in the inside there is a gooey melted marshmallow and in the middle there is a fluffy cheese and it is smushy and it is a texture of fluffiness.

By Yisrael

If I was a doughnut I would be a chocolate chip doughnut and if I went on an adventure I would try to escape the doughnut shop.

By Millie

I would be a French Vanilla doughnut with French vanilla icing and with jam inside the doughnut. My doughnut would be a taxi driving me and a friend around with me. We will go hiking and exploring in the forest, be little scientists together exploring the sea, go diving and be explorers.

By Melody

I would like to be a sprinkle doughnut covered in chocolate and cream at the top of it and jelly beans at the top of it as well, but I won't add the white jelly beans because it tastes yuck.

My favourite colour in the jelly beans is the red because it tastes like medicine and the green one as well, that's all.
