We have purchased a whole lot of new play time equipment for our students. We are trialling it in middle school and they love it. We are working on purchasing enough games for the junior and senior school.

It's great to see so many students having fun together.

All the best to our T/Ball team who are playing in the cluster sports day tomorrow. You will be great ambassadors for our school. Thank you to our teachers, teacher aides and parents for helping with transportation
