WEDNESDAY 25th SEPTEMBER —WEEK 10 TERM 3

Room 9

We have had a very busy term with the Olympics and swimming. Not to mention that Mr. A left us for the sunny shores of Croatia. Turns out that was a good thing for us as we are doing so much science and experiments!

### Science and lollies!

We used skittles and warm water.

Questions:

What happens if we use cold water?

What happens if we add the water from where the skittles are?

Hypothesis

We all thought the cold water would make them mix.

What happened? It did the same thing, only slower.

Full fat milk

Dishwashing liquid

Cotton bud

WOW what a reaction. We are still working on the cause for this one and a hypothesis.

### Water Safety

How to safely leave a life Boat.

How to step Into the water.

Kia ora, Talofa lava, afio mai, 'nāmāstei , pai ata, Kuja hapa, greetings, สวัสดี, 欢迎 and malo e lelei, Salaam+

We have made it through a very busy and exciting term with lots of trips and swimming.

The Pataka food store at the front of the school by the hall is going well and it's great to see everyone enjoying the food . We will keep putting food in for you when we receive it in term 4.

Please take care of yourselves over the holidays, and I hope the weather is fine enough for you to have time out in the fresh air.

I look forward to seeing you all in term 4

Margaret Samson (Principal)

### ONLINE LUNCH ORDER PAYMENTS

Please remember to pay for your child's lunch on the day it is ordered. The reference and details must state their name and the date of the lunch order.

Anyone who's lunch has not been paid for for more than 2 weeks will not be able to order until the account has been paid up to date.

Any outstanding accounts need to be paid immediately to ensure future lunch orders for your child.

### EDMONTON SCHOOL OSCAR PROGRAM

For information about before school, after school care and holiday programme or enrolment forms

Please contact Office Ph 8389318 or Claire Busby 027 550 519
