Last Friday we had our Father's Day afternoon tea. It was so lovely to see you all and the joy on your children's faces when they saw you arrive. It was very special, and meant a lot to all of us. Thank you for taking the time to come and join in and have a bit of time to yourselves.

We have two new garden projects on the way. We have planted a new native forest up in the junior school. I look forward to seeing these mighty trees grow. We also have a couple of arches for our beans to grow on. Thank you Fran and the gardening group for all of your work with our ENVIRO school projects. You rock!

Water Safety

On Tuesday room 5 went to Peninsula Primary School by a bus and it was a one level bus. When we arrived at the pool, we sat down on the bench and listened to the instructor. He told us to put our hands on the side and gently get in the pool so we did. First we held our noses and put our heads down and up again. Next we held our noses and put our head down and went through the hula hoop and I had so much fun but it looked scary and deep. We needed to get something from under the water and I was last because I was scared. I had Rilee, Daytona, Lincoln, Wally, Yiguo, Smita, Merielle and Valentina in my group. We hopped on the boat and it was fun. We wore a life jacker and fell off the boat. The instructor helped me and Valentina because we were scared but we liked it. It was so much fun. We learned how to climb up the boat, but in the water this time. Everyone got help from the instructor to get up but not Merielle. After that we went back to school in the same bus.
