It's planting time again and our new native forest is going strong in the Junior school. We are re-planting all of the veggies in the vege garden, ready for spring harvest.

Fran and her team of helpers will be tackling the garden by Room 13 next. We have daisies and other plants ready to go, but if anyone has a few cuttings of plants for that area please let the office know. We really appreciate how much you have given us in the past.

Swimming lessons are going well for the students who participate. They are learning so many great skills for when they are out in rivers and oceans.

*Margaret Samson* (Principal)

## OLYMPICS FIREWORKS PICTURES BY ROOM 1

As part of our learning about the Olympics this term Room 1 created firework pictures of the Eiffel Tower and the Olympic Torch using pastels.

We all thought the Olympics was awesome and we hope that one day we might get to be a part of them.
