What a Fantastic Night at Edmonton!

A huge **thank you to our wonderful Board of Trustees and staff members** who gave up their time to help make our fundraiser such a success on Saturday night. We really appreciate your energy, enthusiasm and support. It certainly takes a team! It was lovely to see everyone having such a great time. All of the items for sale were incredibly popular, with the glow sticks being a particular favourite! They looked absolutely amazing lighting up the night once the fireworks display began. What a fantastic way to finish the evening!

There is plenty happening around Edmonton this week, and we are looking forward to another busy week of learning, fun and activities.

Ahoy there! Friday is PIRATE DAY! 🏴‍☠️⚓

Come dressed as a pirate and get ready for some swashbuckling fun! I can't wait to see all your wonderful pirate costumes. There are sure to be some interesting characters roaming our school!

Sharing photos below of our students' dance performance at

***Interact Arts Festival* @ Corban's Estate Arts Centre**,

Henderson. **Mika, Smita, Stevie, Isla, Rick, Daisy, Alyannah and Kelly** rocked it for our ***Touch Compass / Splash Flying Dance / Edmonton*** 30 week long partnership programme (we are at the 22 week marker point). Other students have been involved during the year - Will, Blake, Daytona and Ashton. The programme is fully sponsored for the students through ***Foundation North.*** Very thankful for the sharing heart of this collaboration which is partnering digitally with ***Dance and the Child International*** in Malaysia. Our dance was named 'Natural Balance' and the theme was 'Together we can make each other strong". It was nice to see family and community support the students who displayed excitement, respect and joy. This was great to witness and we are feeling proud of all. The students also got to watch a few other performances by Phab Pasifika, Blenz and the Interact Wearable Arts Parade. Next we move on to responding to our contemporary dance choreographic cues in Malaysian Dance from ***Sultan Idris University in Malaysia***. The documented creative process and results will be presented mid next year at the International Dance Conference to be hosted by the University in Malaysia.
